Hosted by Laura Davidson, Kim Grauer, Nicole Perlroth Thomson and Carolyn Worthington

10/17/2026

\$100 per person

Something went wrong out there. *Real wrong.*

The gold ran dry. The sheriff skipped town. The Pioneer saloon, well it never closed. And the sun ain't risen since.

Welcome to **Ghost Town**. A haunted frontier teetering on the edge of madness. Whispers of this lawless boomtown have outposts echoing, each warped by greed and spectral regret. Legend says, on **October 17th**, the spirits return - and so do their stories.

This ain't no quaint rhinestone rodeo or Halloween dress-up party. This here is a boot-stomping, spine-tingling mixup of haunted Americana, Western myth, and acid-laced frontier dreams. Think: Cowboy Carter rides through a fever dream of Halloween horror, rhinestone glamour, gold rush greed, extraterrestrial sightings, and ghostly apparitions. *One foot in the honky tonk, one foot in the grave...*

This is a night that defies every suburban Western/Halloween stereotype. It's a time to step into another realm and...

GET WEIRD.
